SOHO HEALTH

"

As a new medical practice startup, SOHO HEALTH membership has been performing a number of backend functions that will allow me to be successful. If I had purchased these services separately in the market (e.g. credentialing, contracting, group purchasing) it would have been very expensive for me.

"

Dr. Sudeep Bansal, Avanta Clinic

WHO IS SOHO

SOHO HEALTH is a collaboration between physicians and the hospital partners of Trinity Health Of New England. A clinically integrated network, SOHO is comprised of 1,500+ primary and specialty care physicians, 6 hospitals and 190K+ covered lives.
