

# Save BIG on Dermatology Supplies!

SoNE HEALTH is a free member benefit, which allows independent physician offices, surgery centers and their employees to access money saving contracts for medical/surgical and non-medical supplies. The program extends cost savings not only to the practice, but to all physician and non-physician members of the practice through its Employee Perk feature. Perks include discounts around cell phones, car rentals and office supplies. The program's goal is to help members achieve financial strength and sustainability.
