

SoNE HEALTH

“Being a member of SoNE HEALTH saves me time by making the running of my private practice more efficient. I no longer must negotiate fees with payors or go through the tedious recredentialing process. I have access to quality and incentive bonuses, a large referral network and strong educational programs to help my practice stay ahead of the curve. All this allows me to focus my attention on caring for my patients.”

Dr. David Feingold, Physical
Medicine and Rehabilitation of
Hartford
